道路台帳平面図

八十四号四十七番

大 田

The main map area depicts a road network. A primary road, labeled '区道18-19号線' (Qu-Dao 18-19), runs diagonally from the top-left towards the center. It features multiple lanes with dashed center lines and solid edge lines. Along this road, there are numerous small circular markers, likely representing manholes or survey points, each accompanied by numerical data. To the right of this main road, there is a large, open area labeled '東海二丁目' (Toho 2-chome). Further down, the road curves and then runs horizontally. Another road, labeled '一般国道357号(湾岸道路)' (General National Route 357 (Bayfront Road)), runs vertically along the right edge of the map. The map also shows various other smaller roads, cul-de-sacs, and areas labeled '東海三丁目' (Toho 3-chome). Circled numbers (4, 5, 10, 11) are placed at specific locations on the map. The overall layout is detailed with line work representing road boundaries, lane markings, and surrounding terrain features like small trees or structures.

A horizontal scale bar is located at the bottom center of the page. It is marked with numerical values from 0 to 100 in increments of 10, representing meters. Below the scale bar, the text '縮尺五百分之一' (Scale 1/500) is written.
